

Dining at St. Andrews Village

Dinner

For residents at the Inn, dinner each evening is included in the monthly rental fee. They choose to enjoy meals in the dining room, on the outdoor patio, or in the privacy of their apartments.

Village chefs feature seasonally inspired menus of creative dishes and classic favorites every week. And every effort is made to accommodate special diets or preferences.

Brunch

Every other Sunday (in lieu of dinner) the Village has a delicious full brunch, which not only includes tasty breakfast items such as baked goods, eggs, sausage, bacon, pancakes and french-toast, but also features options such as soups/chowders, sliced ham and sandwiches.
