Reverend Dr. Mary Jo Zimmerli

The Zimmerli Pavilion is named in loving memory of the Rev. Dr. Mary Jo Zimmerli.

A former nurse, a former trustee of St. Andrews Hospital, and a founding member of the Lincoln County Healthcare Board of Trustees, Mary Jo had a special interest in the care and well-being of seniors in the Boothbay Region.

The Zimmerli Pavilion is both a lasting legacy and a tangible reminder of her warm wisdom and the blessings she brought to our organization, the community, and to everyone she touched.

The Care You Need, Close to Home

Whether you or a loved one has suffered an injury, or need help recovering from an illness or surgery, the Zimmerli Pavilion Skilled Team helps both residents and non-residents regain the best quality of life. This beautiful, new facility is located on the Boothbay Peninsula at St. Andrews Village. This means the care you or your loved one will receive is close to home. With the right combination of personal care and integrative therapy, our focus is to help you get back to living the way you want to as quickly as possible.

Private Skilled Care

When the Zimmerli Pavilion opened in the spring of 2016, it became the newest skilled care facility in Maine and the only one in Lincoln County with exclusively-private rooms. Each well-appointed, comfortable room has its own private bathroom with shower.

Services

We know the care you receive during your recovery makes a huge difference in your overall outcome. Our experienced professional team works with you to develop a plan that suits your needs and preferences. Our state-of-the-art technology and comprehensive services include physical therapy, occupational therapy and speech therapy.

About SAV

The Zimmerli Pavilion is an integral part of St. Andrews Village in Boothbay Harbor. Located on 60 acres of beautifully wooded surroundings, St. Andrews Village is just minutes from the LincolnHealth St. Andrews Campus. The Village offers a full spectrum of retirement living options. Spacious cottages offer independent living, as do well-appointed apartments at the Inn.

Assisted living suites are also available as well as Memory Support Services in Safe Havens, a special residence for those with cognitive challenges such as Alzheimer's disease. The Inn also provides long-term care services in its highly-rated Gregory Wing.

LincolnHealth/MaineHealth

St. Andrews Village is part of LincolnHealth, an award-winning, full-service health care system with campuses in the coastal communities of Boothbay Harbor and Damariscotta, Maine. LincolnHealth is a subsidiary of MaineHealth, the largest integrated health system in Maine.
