

## **ASSISTED LIVING**

### **Rates and What's Included**

**Assisted Living** at St. Andrews Village provides residents with help in meeting their daily needs. While this area does not offer the medical care of a nursing facility, it does provide personal care in a resident's apartment and common areas. Below is an outline of what is included in the monthly fee. In addition to what is listed, each resident enjoys the comforts and convenience of our charming, coastal property, including dining and common areas, library, media room, arts/crafts room, and a beautifully landscaped campus.

#### **SERVICES**

##### **Comprehensive services included in the monthly fee:**

- ✓ Private Apartment or Suite
